OFFICE OF THE INSPECTOR GENERAL OF POLICE IN MYSORE.

Dated Bangalore 28th October 18 29th

Enclosure. 2

From

The Inspector General of Police
in Mysore,

To

The Chief Secretary to the
Government of Mysore.

Sir,

I have the honor to submit proposals for making Jelahanka a Head station, and strengthening the Police staff stationed at that place.

2. Jelahanka is a fairly large and populous town consisting of 1100 houses. It is rising in importance, being situated on the line of the Bangalore - Hindupur Railway. It was formerly the Head Quarters of a Taluk and a Munsiff Court was located there some years ago. It has a Municipality with a population of nearly 3000 people.

3. Until the revision of the Police in 1880, there was a Sub-Inspector with one Jamedar and 10 Constables station in Jelahanka. At present one Duffedar and 7 constables only are stationed here, and the Deputy Commissioner thinks that this staff is quite inadequate for the proper and regular performance of village beats, the efficient protection of passengers and traffic on two important high roads

1. First-class Jamedar Pay Rs. 20+8.
1. 1st class Constable — 7.
3. 2nd class — do — at 6 each — 18
Rs. 53

and the watching of the movements of bad characters, of whom there are not a few residing in Yelahanka itself. The Deputy-Commissioner suggests that the strength of the Police should be raised by at least one Jamedar and 4 constables. I think the request is reasonable and would recommend that the marginally noted additional Establishment may be sanctioned.

4. A Copy of the Bangalore Deputy Commissioner's letter No. 298 dated 17th October 1892 with the Canarese petition of Eranna and others of Yelahanka, is herewith submitted for the information of Government.—

I have the honor to be

To, The Inspector General of Police

Sir,

herewith returned

With reference to the petition of Eeranna and others of Yelahanka forwarded with your No. 309/37 dated 6th August, I have the honor to state that in my opinion the prayer of the petitioners appears reasonable.

Yelahanka is an important village having a Mu=
=cipality and a population of close on 3000/- and was p
to the revision in 1880, not only the Head Quarters of a
Munsiff but that of a Sub-Inspector as well, with
Jamedar and 10 Constables. The present strength
of the force located there, is 1 Duffedar and 7 Constat
which is quite inadequate for the proper and regular
performance of village beats, the efficient protection
of passengers and traffic on two important high roa
and the watching of the movements of bad charac
of whom there are not a few residing in Yelahanka
itself. I would therefore under the circumstances
suggest that the strength of the Police be raised b

al

~least 4 men. The Assistant Superintendent
ggests a Jamedar also. A Jamedar may take the
'ace of the Duffedar.
